

Sound Beginnings 2003-2004

What is Sound Beginnings?

Sound Beginnings is a group piano class for children ages 4-7 with a parent or caregiver participating alongside! Children benefit greatly by the presence of their parents who are not only learning themselves, but have every advantage of helping their child between lessons. The curriculum was designed by the nationally acclaimed company "The Music Class", who also provides the curriculum we use in our Mini-MusicMakers program.

When does the next session start?

The next session begins in September. The curriculum is 30 weeks in length with a recital given at the end of each 10 weeks. Classes are held on Tuesdays from 2:00-2:45pm and 6:00-6:45pm
