

**Semester Classes: Fall 2003 Semester**

**Children's Voice Class** Day: **Mondays, 4:00-4:45pm**

This fun & exciting voice class is designed for children ages 5-12 who would like to learn more about singing, but without the strenuous nature of a private lesson before their vocal cords are ready. The MusicMakers Academy is known for it's serious voice programs, and focus on healthy technique. Singers will explore breathing techniques, vocal techniques, interpretation, diction, range improvement, and solo & ensemble singing. Tuition includes materials.

**Violin Ventures** Day: **Thursdays, 4:00-4:45pm OR 6:00-6:45pm**

Violin Ventures is a violin class designed specifically for children ages 4-7. The participants are introduced to the violin, how it sounds, how to play simple songs, and how it is made. The goal of the class is to instill a love of music in the children, while learning basic concepts of violin-playing. Although we do not rent instruments, we will be glad to advise you on where/how to get your instrument.

**Boomwhackers™ Rhythm Rousers** Day: **Mondays, 4:00-4:45pm**

The Boomwhackers Rhythm Rousers ensemble for all ages is a zany, fun, and highly educational way to learn to read music, improve rhythmic skills, and learn to play in an ensemble. For students who rarely get the opportunity to play in a band or orchestra, this is a great opportunity to be in an ensemble. The boomwhackers are colorful tuned percussion tubes of varying lengths, which are played in a similar way to handbells.
